*"The only people not using StrikeHold,
are those who have not heard about it"*

**STRIKE
HOLD**
UK

Welcome to StrikeHold, the product that is changing the way people deal with lubrication, rust removal, prevention, water displacement, and cleaning.

It is designed for using in many sectors including, agriculture, mechanical, electrical, mining, marine, aviation, fishing, rail, recreational, and, of course, in the home for all those smaller maintenance jobs.

Our supply depot is in Devon, and we can get our products delivered to you quickly.

Cleaner, Lubricant, Protectant and Rust Preventor

Non-Flammable – A clear, dry finish
No sticky, oily, wet, or smelly residue
Capillary action – Gets in hard-to- reach places
Provides a shield-like film to prevent moisture
Displaces water – Dries out wet electricals
Saltwater repellent and protection
Safe on electrical equipment
Fantastic engine cleaner
Plus, lots, lots more ...
